Church Admin

Many of you will be aware that we have been using the Church Admin for our database system. We have now switched over to an alternative to increase security for all our church data. If you have downloaded the 'My Church' app, you can uninstall it as it is no longer in use by us. Our directory is no longer available via an app but we have a pdf version we can email you or print out for you if you would like a copy. Please contact the office if you would like a copy.

Thank you for your patience as we try to keep up with best practice in our admin.

FBC Annual General Meeting

Thursday 27 November, 6.30pm

November is our big Joyride month. It's the time of year when we invite you, our incredible supporters, to get active, spread the word and raise funds for our communities.

Your fundraising can help to restore a little of what extreme poverty and modern slavery have taken away. Essential services like education and healthcare, but also social opportunities where people can experience connection and joy.

Join Joyride

Anyone Can Join Joyride

You don't need to be an elite cyclist to join Joyride (though we have had a few of those - one team are riding the height of Everest in one day!)

You might be more like 91-year-old Jim and his cat Bob who couldn't manage a bike, but got on the stair master to raise money. Or like 8-year-old Mila who organised a mini market in her community last weekend - selling coffee, baking and her old books and toys.

The whole point is that anyone, of any age, can step up and help to create amazing opportunities and fun memories for people facing poverty and modern slavery.

Kai in the Park

Te Whanau Putahi are looking for a few more volunteers for Kai in the Park on the 10th December. They need about 80 volunteers to make this work so are currently doing an intensive drive to get the numbers up.

Please contact Gaylene Burgess if you can help out with this.

If anyone is interested in baptism and/or membership, please see Ross.

"And Peter said to them, "Repent and be baptised every one of you in the name of Jesus Christ for the forgiveness of your sins, and you will receive the gift of the Holy Spirit." Acts 2:38

Prayer is available after the service on Sunday. Please come to the front and one of the prayer team will be happy to pray with you.

The Monday night prayer meeting is held from 7pm to 8pm in the Oasis room.

Tuesday morning prayer meeting is held in the Oasis room at 9.15am.

Celebrate the season with us at our festive Fundraising Dinner! Enjoy delicious food, joyful Christmas carols, and warm community as we raise funds for our building renovations. Your presence and support will help us create a more welcoming space for all. Come hungry, come joyful, and come together!

Ira & Katy Hopkinson are our Mission focus for November

Praise

- In 1999, Wycliffe came up with Vision 2025 - to have a Bible translation started in every language. This year, 2025, we thank God that 99% of all people have access to at least some Scripture in their language!
- Ira continues his work on the Scripture editor for Paratext. His little home office is the place he connects with team members across the world, strategising, praying together, planning and working on the software. We thank God for the people who pray for us and continue to support us financially.
- Praise that our last child Emily is finishing her school career! (She still has three exams in November.) She intends to work in 2026 and go on to further study in 2027.

Prayer

- Please continue to pray that all peoples of the world will have access to Scripture. There are still 544 remaining languages, representing 36.8 million people who are waiting.
- November 7-9, New Zealand Wycliffe members will gather for their AGM, to report back on their work, hear about strategy and pray together. Please pray this weekend will be a great time of learning and bonding for members.
- Our Wycliffe NZ director is stepping down from his role due to health challenges. Pray the board will find a new director soon and that we have enough staff in the office to cover all the work.
- Other people working on the Paratext software project are reliant on Ira's editor work. Ira was only just keeping up with his work until a family emergency on 28-29th October. Please pray he can efficiently catch up on the lost days of work so others are not having to wait.
- Pray that our daughter Lucy finishes her first year of studying midwifery well. Some health challenges are presently making this tricky.
- Continue to pray for Ira's younger sister who is still caught in the cycle of addiction.

Thanks for praying for us.
Ira and Katy
